When you want to really leave it all behind...
Rarotonga's new adults-only boutique beachfront
resort, Sanctuary Rarotonga, has just opened.

Indulge in Sanctuary Rarotonga-on the beach, Rarotonga's stylish new adults-only, absolute beachfront boutique resort with an intimate South Pacific ambience.

Here on the island's sunshine southwest coast, imagine stepping from your Beachfront Suite onto the secluded white sands of Aroa Beach, then into the crystal clear blue waters of Aroa Lagoon Marine Reserve to play with the jewel-coloured tropical fish. A reserve for over a decade, this is Rarotonga's best snorkelling spot.

Enjoy a long cool cocktail at the unique swim-up pool bar, where it's easy to get very comfortable... Be pampered in style at fabulous new destination spa complex, SpaPolynesia LUXE, where you can chose from a wide range of treatments including the healing touch of massage, relaxing hydrotherapy, facials, pedicures, manicures, couple's sessions and even a Spa Cuisine menu to promote wellbeing from the inside out.

Dine on fine Pacific cuisine with the sand between your toes, poolside or at the Beach Pavilion (or treat yourself to room service!). Private candlelit dinners with your own personal waiter are a specialty as you take in the spectacular island sunsets and see the tropical moon rise over the lagoon.

An extensive range of complimentary diversions are available including snorkelling, kayaking, 'try scuba' sessions in the pool, learn to dance the hula, make a lei or play the ukulele, learn to husk a coconut or weave a coconut palm frond, tennis, guided walks, resort manager's sunset cocktail party and more.

Sanctuary Rarotonga also offers tailored Lagoon of Love Wedding Packages to couples in love dreaming of a romantic South Seas wedding right on a stunning white sandy beach, with everything taken care of.
